8 Edition of

HIMTEX

Hyderabad International Machine Tool &
Engineering Expo

Empowering Engineering Excellence

16 17 18 19 August 2024

HITEX, Hyderabad

Introduction

The 8th edition of the (HIMTEX)

Hyderabad International Machine Tool & Engineering Expo

offers an excellent platform for untapped opportunities in the field of machine tools, engineering, robotics and automation and to experience technologically sound innovations.

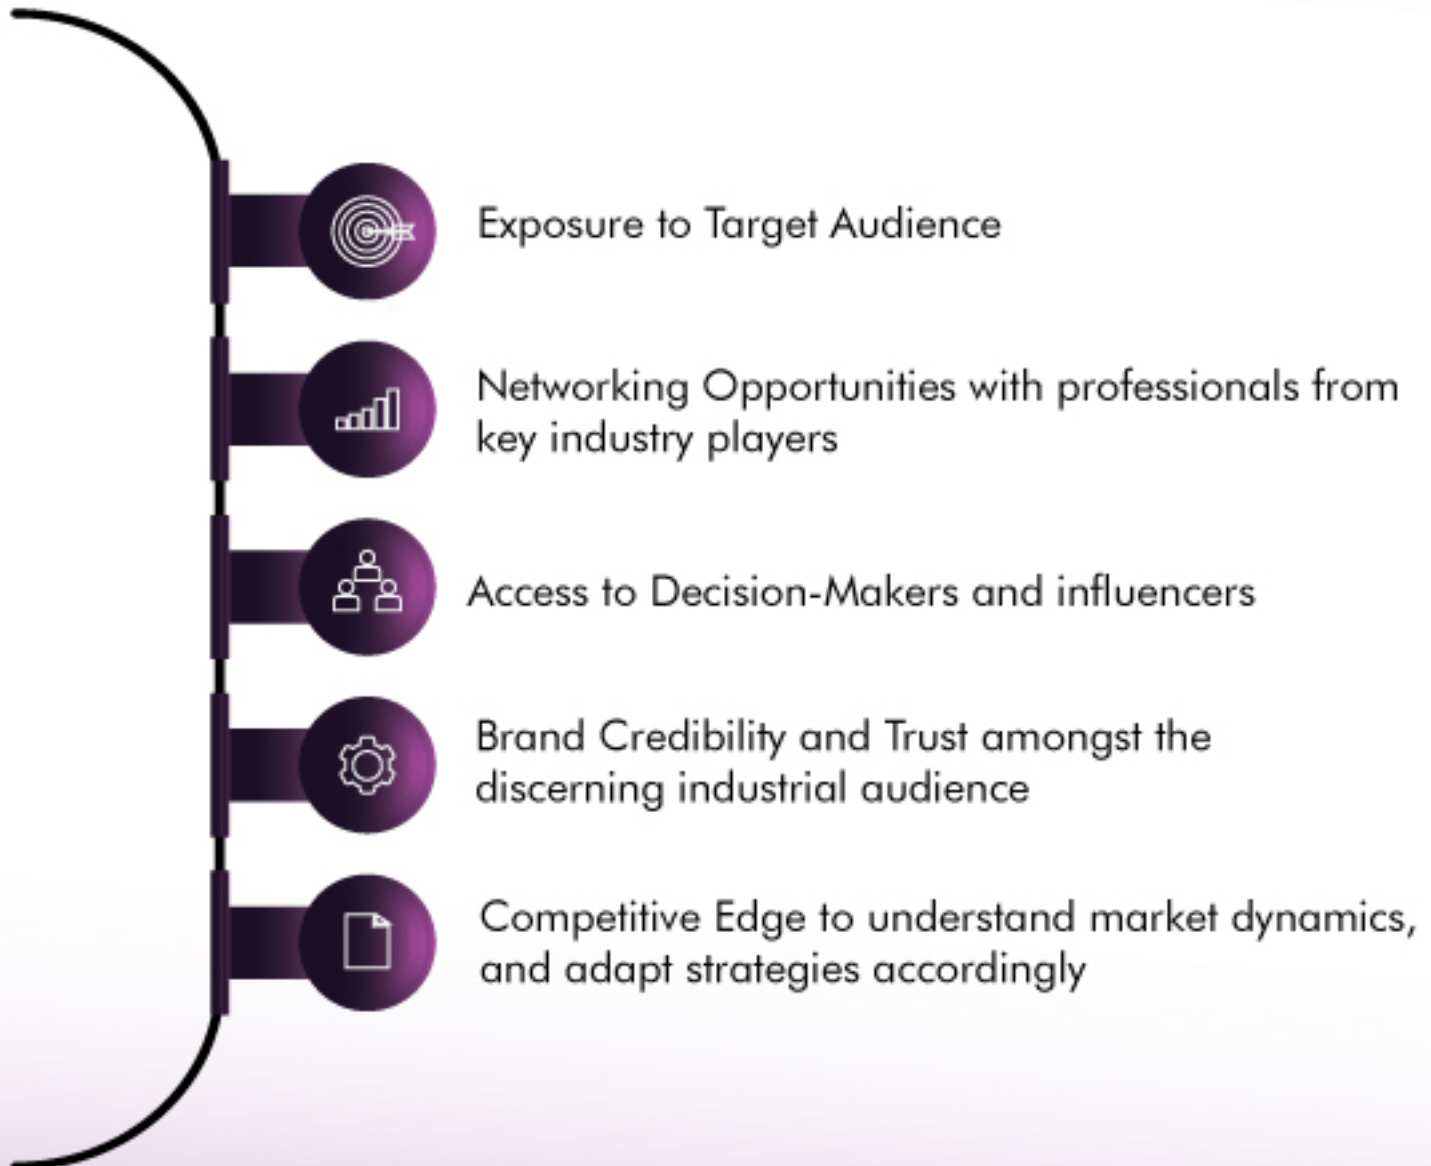

Over the years, HIMTEX has transformed into one of the most progressive industrial exhibitions in India. The event has been instrumental in contributing significantly to transforming the manufacturing capabilities of the state of Telangana and the neighboring states by

- 
- 01 Showcasing Advanced Technologies
 - 02 Facilitating Industry Networking
 - 03 Knowledge Transfer and Training
 - 04 Attracting Investments
 - 05 Promoting Innovation
 - 06 Supporting Small and Medium Enterprises (SMEs)
 - 07 Creating Awareness of Government Initiatives
 - 08 Addressing Industry Challenges
 - 09 Showcasing Local Manufacturing Success Stories
 - 10 Driving Economic Growth

Why HIMTEX?

Participation in HIMTEX offers brands a comprehensive platform to enhance their visibility, connect with industry stakeholders, showcase innovations, and gain a competitive edge in the machine tool and engineering sector. It is an opportunity to make meaningful connections, generate business leads, and contribute to the overall growth and development of the brand within the industry.

Compelling reasons to consider participating in HIMTEX

About Organiser

As organizers of HIMTEX and other trade expos, Hyderabad International Trade Expositions Limited (HITEX) aims to provide a platform for businesses, professionals, and industry experts to come together, showcase innovations, and foster collaboration. The company's commitment to creating a conducive environment for networking, knowledge exchange, and business growth contributes to the success of all the events it hosts.

HIMTEX 2023 – A Quick Look Back

HIMTEX 2023 took place in Hyderabad from 18th to 21st August 2023 organized by "HITEX" (Hyderabad International Trade Expositions Limited) at HITEX, Hyderabad, Telangana, India. The exhibition was inaugurated by Hon'ble Chief Guest Sri E Venkat Narsimha Reddy, VC MD (TSIIC along with Guest of Honours Sri D Chandra Sekhar, Addl. Development Commissioner, MSME Development Institute, Ministry of MSME, Govt of India and Sri Sudhir Chiplunkar Chief Operating Officer, L&T Metro Rail Hyd Ltd graced the inaugural function HIMTEX 2023 featured a number of Exhibitors from across the Nation The expo witnessed a good number of quality visitors from various neighbouring states

Exhibitor Profile

- Lathes & CNCs
- Machining Centres
- Machine Tool Accessories
- Electric Discharge Machines (EDM)
- Hydraulic, Mechanical & Pneumatic Presses
- Shearing & Bending Presses
- Metal Forming Machine Tools
- Drilling and Boring Machines
- Milling and Grinding Machines
- Gear Cutting and Fishing Machines
- Planing, Shaping, Slotting & Broaching Machines
- Assembling Systems & Industrial Robots
- Sawing & Cutting Machines
- Special Purpose Machines
- Instrumentation & Controls
- Measuring and Testing Instruments
- Finishing/Cutting/and Abrasive Tools
- Foundry and Forging Machines
- Drills/Reamers/Cutting Tools/Chucks/Tool Holders
- Hand Tools/Pneumatic Tools/Hydraulic Tools
- Electro Erosion Machines
- Bar, Section and Tube Working Machines
- Welding, Cutting and Gas Cutting Machines
- Hardening and Heating Machines
- Hydraulics & Pneumatics
- Material handling Equipment & Industrial Automation
- Sensors/Automatic Voltage Regulators/Actuators/Encoders
- CAD/CAM Solutions/Related Software Technology
- Automation & Robotics
- Newly Launched & Specialised Products & Services

Visitor Profile

The primary profile of the visitors attending the expo would consist of: Techno experts, Process Technologists, Engineers, R & D experts, Business Owners, Factory & Manufacturing Heads & Managers, Procurement & Finance Decision Makers, Process Engineers, Quality Control Experts, Professionals/Consultants, Production and Maintenance department personnel, etc. from the following industrial sectors.

- Automation and material handling
- Automobiles and auto-components
- Aviation and aerospace
- Cement, chemical & petrochemical
- Defence and security
- Industrial machinery
- Iron & steel
- Manufacturing and SME industries
- Ship building & heavy fabrication
- Medical engineering
- Mining & metallurgy
- Nanotechnology
- OEM, plants and machinery
- Pharmaceutical & biotechnology
- Power & heating technology
- Railways
- Rubber & plastics
- Transportation & material handling, etc

Few Of Our Esteemed Exhibitors

Testimonials

BFW

"We are very happy to be here in HIMTEX, thanks to Organizer for providing this platform for manufacturers and organizing such a wonderful show having a large crowd with 60% repeat customers. Also, we are very happy to get good business from here."

Mr. Rajesh Apte
(Chief Sales Officer), Bharat Fritz Werner

GMT ENGINEERS

"We are continuously participating in HIMTEX from last 3 years and Hyderabad has always been a very good place for us in terms of patronage. We got encouraging response from local partners from day one itself. We are very happy and would like to participate next year too."

Mr. Prasad
(Managing Director), GMT Engineers Pvt Ltd

JUPITER
The Global Roll Forming Solution

"We have participated in many exhibitions Nationally and internationally and this is our first time at HIMTEX and I found the show very well organized and maintained, I thank the organizers for organizing this expo."

Mr. Chandresh
Jupiter Roll Forming Pvt. Ltd

MEHTA
MEHTA CAD CAM SYSTEMS PVT. LTD.

"We are getting good response from HIMTEX, visitors are willing to purchase the machines here and preferring Make in India products. Lots of people are visiting the expo daily and coordination from the organizers is great, very well managed; so we are very happy to be here and would like to come again."

Mr. Ganesh Swami
Mehta Cad Cam

SAGAR
Machine Tools Pvt. Ltd.

"We have come all the way from Ludhiana Punjab to exhibit in this Expo. It is very nicely managed and organised; I would like to congratulate and thank the management. This is one of the best exhibitions I have been to in 15 years."

Mr. Harjot Singh Sagar
Sagar Machine Tools

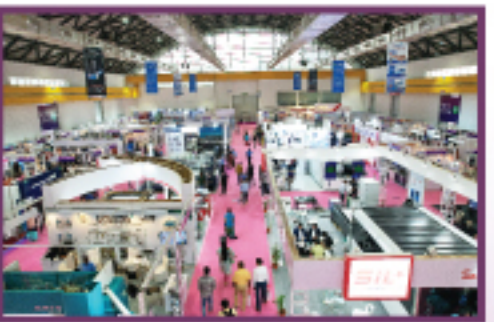

KTM Techno Solutions
MD, KTM Techno Solutions

"I am happy with the organizer as the companies like MTAR, AZAD Engineering, BHEL, DRDL, BDL and lots of other potential customers visited our stall. Our company already booked 150 sqm stall for the next edition of HIMTEX 2024."

Mr. K. K. Makwana
MD, KTM Techno Solutions
