

Post Show Report of HIMTEX 2024

HIMTEX

Hyderabad International Machine Tool &
Engineering Expo

Empowering Engineering Excellence

16-19 August 2024

HITEX Exhibition Center, Hyderabad

About the show - HIMTEX

The 8th mega edition - HIMTEX, 2024 served as an excellent platform for untapped opportunities in the field of Machine tools, Engineering, Automation and to experience technologically sound innovations.

HIMTEX is one of the most progressive industrial exhibitions in India which provides a single platform for manufacturers, service providers, technology & solution providers, setting the stage for the display of some exquisite products, innovations, and high-quality services from across India for business growth & expansion in the fastest growing economy of India- Hyderabad, Telangana.

HIMTEX 2023 had **India Process Expo & Conference (IPEC)** and **Eco Sustain Expo** as concurrent expos at the HIMTEX Exhibition Centre, Hyderabad from 16 to 18th of August 2024. The co-located expos showcased over 400+ key suppliers, manufacturers & service providers to the rapidly expanding Machine Tool & Accessories, Metal Forming & Forging, CNC cutting Tool & Lathe, Gear Cutting, Hydraulic – Pneumatic industry and pharma, chemical, biotechnology, batteries, electric storage, automotive, defence, aerospace industry of India.

About the show - HIMTEX

HIMTEX 2024 presented latest trends, technology, know-how of industry through global suppliers & innovators from Machine Tool & Accessories industry including but not limited to Lathes & CNC, Hydraulic, Mechanical & Pneumatic Presses, Industrial Robots, and Instrumentation & Controls and many more related fields.

These expos brought in players from across the globe & it would create a significant impact on the future industrial progress of India. The expo will see footfalls not only from the core industry but also from the growing industrial sector which is looking for advanced, cost-effective technological products.

About the Organiser - HITEX

HITEX organizes 8 shows annually, namely HIMTEX, IPEC, Eco Sustain Expo, PHIC Expo, PETEX, Sport Expo, Hyderabad Kids' Fair and Business Women Expo. HITEX an event organizer that pays attention to minute details from concept to realization.

Seldom is a place where the vibrancy of the space articulates the need of successful exhibitions and trade fairs. An address where the horizons of business expand beyond the borders of tradition. A gateway, where the flexibility of infrastructure hinges on cutting edge technology. A quantum where the services dwell in state-of-the-art amenities. An ensemble where the ideas are exchanged and valuable networks are forged.

This is what HITEX is all about. India's top ranked exhibition organizer and venue provider in the heart of the Pearl City – Hyderabad.

HIMTEX 2023 Exhibition in detail

HIMTEX 2024 took place in Hyderabad from 16-19 August 2024 organized by HITEX - Hyderabad International Trade Expositions Limited, at HITEX, Hyderabad, Telangana, India. The exhibition was inaugurated by the following dignitaries

- Dr. Shailendra Saroj, Chairman, International Federation of Electric Vehicles Association
- Dr. Amiya Sahu, Founder, National Solid Waste Association of India
- Sri. Praveen Kumar Reddy, President, Jeedimetla Industries Association
- Sri. Ramesh Miyyapuram, President, Cherlapally Industries Association, Phase 3
- Sri.A.Bhaskar Reddy, President, Federation of Telangana Small MSME Industries Association
- Sri. Yogin Chhaniara, President, Machine Tool Manufacturers Association, Rajkot
- Sri. Sreeramachandra Murthy K, President, Bharat Fritz Werner

HIMTEX 2023 Exhibition in detail

HIMTEX 2024 featured a number of Exhibitors from across the Nation. The expo witnessed a good number of quality visitors from various neighboring states.

Number of Exhibitors	-	240
No. of visitors who visited the expo over 4 days	-	15,000 Plus
Total Business dealings Generated	-	Approximately about 300 crores

Exhibitor Profile

- Lathes & CNCs
- Machining Centres
- Electric Discharge Machines (EDM)
- Hydraulic, Mechanical & Pneumatic Presses
- Shearing & Bending Presses
- Metal Forming Machine Tools
- Drilling and Boring Machines
- Milling and Grinding Machines
- Gear Cutting and Fishing Machines
- Planning, Shaping, Slotting & Broaching Machines
- Assembling Systems & Industrial Robots
- Sawing & Cutting Machines
- Special Purpose Machines
- Instrumentation & Controls
- Measuring and Testing Instruments
- Finishing/Cutting/and Abrasive Tools
- Foundry and Forging Machines
- Drills/Reamers/Cutting Tools/Chucks/Tool Holders
- Hand Tools/Pneumatic Tools/Hydraulic Tools
- Electro Erosion Machines
- Bar, Section and Tube Working Machines
- Welding, Cutting and Gas Cutting Machines
- Hardening and Heating Machines
- Hydraulics & Pneumatics
- Material handling Equipment & Industrial Automation
- Sensors/Automatic Voltage Regulators/Actuators/Encoders
- CAD/CAM Solutions/Related Software Technology
- Newly Launched & Specialised Products & Services

Show Highlights

- 240 exhibitors spread over an exhibition area of 15000 sqm
- 1000 + exhibits
- 15000+ trade visitors visited the show
- Participating Exhibitors from 32 states across India showcasing their products
- International Participation from Japan & Hong Kong
- Region's biggest machine tool expo
- Hundreds of state-of-the-art metal working machineries Live in Action

Media Coverage

8th edition of HIMTEX from Aug 16

CITY BUREAU Hyderabad

From August 16 to 19, the HITEX Exhibition Centre will be the epicentre of technological advancements and sustainable solutions as it welcomes the 8th edition of the Hyderabad International Machine Tool and Engineering Expo (HIMTEX), the 3rd edition of the India Process Expo & Conference (IPEC), and the inaugural Eco Sustain Expo.

The HIMTEX 2024 is showcasing cutting-edge advancements in machine tools and engineering technologies. Over 300 exhibitors are presenting their latest innovations, providing attendees with a unique opportunity to explore a wide array of machinery, equipment, and solutions in metalworking, automation, robotics, tooling, and industrial engineering.

While the IPEC is presenting groundbreaking advancements in process industries, the Eco Sustain Expo debuted with a strong focus on sustainable technologies.

HITEX business head Srikanth TG said this year's edition offers an unmatched platform for discovering latest technology

Hyd gears up for mega mfg events

HIMTEX, IPEC, and Eco Sustain Expo to be held from August 16 to 19 in the city

Three expos opened at Hitec in Hyderabad

By: Bizz Buzz 2024-08-16 Update: 19:44 IST

Hyderabad: Three expos - Himitex, IPEC, and Eco Sustain Expo - are being held simultaneously at Hitec in the city from August 16 to 19. The events were formally inaugurated on Friday by leaders from various industrial and trade associations.

These expos offer a platform to showcase the latest

हिन्दी मिलाप हाईटेक्स में हिमटेक्स, आईपीईसी और ईको सस्टेन एक्सपो आरंभ

विकास आधारित अत्याधुनिक नवाचारों तथा तकनीकियों का प्रदर्शन

हैदराबाद, 16 अगस्त - (मिलाप ब्यूरो) विकास आधारित नवीनतम नवाचारों तथा तकनीकियों को प्रदर्शित करने के लिए हैदराबाद इंटरनेशनल ट्रेड एक्सपोजिशन लिमिटेड के तत्वावधान में तीन एक्सपो हिमटेक्स, आईपीईसी तथा ईको सस्टेन आज हाईटेक्स में आरंभ हुआ। यहाँ देश के विभिन्न राज्यों से प्रदर्शक विनिर्माण क्षेत्र के लिए अपशिष्ट प्रबंधन में नवीन उत्पादों और उन्नत सेवाओं का प्रदर्शन कर रहे हैं। जानकारी देते हुए बताया गया कि हैदराबाद इंटरनेशनल मशीन टूल एंड इंजीनियरिंग एक्सपो (हिमटेक्स) सोमवार, 16 अगस्त तक जारी रहेगा। इंडिया प्रोसेस एक्सपो एंड कॉन्फ्रेंस (आईपीईसी) तथा ईको सस्टेन एक्सपो हाईटेक्स में रविवार, 18 अगस्त तक जारी रहेगा। तीनों एक्सपों का औपचारिक उद्घाटन औद्योगिक और व्यापार निकायों के प्रतिनिधियों द्वारा किया गया। अक्सर पर त्रय-एक्सपो

के आयोजक तथा हाईटेक्स वेब व्यवसाय प्रमुख श्रीकांत टीजी सहित इंटरनेशनल फेडरेशन ऑफ इलेक्ट्रिकल मशीन टूल एंड इंजीनियरिंग के अध्यक्ष डॉ. श्रीलक्ष्मी सरोज, इंडियन इंस्टीट्यूट ऑफ प्लांट इंजीनियरिंग के तेलंगाना और एपी वीएच अध्यक्ष डॉ. डी.एस. शेट्टी, ऑल इंडिया काउंसिल फॉर रोबोटिक्स एंड ऑटोमेशन के अध्यक्ष राज कुमार शर्मा, चेलापल्ली इंडस्ट्रियल असोसिएशन-फेज 3 के अध्यक्ष रमेश मियापुरम, नेशनल सॉल्विड वेस्ट असोसिएशन ऑफ इंडिया के टीएस और एपी वीएच अध्यक्ष डॉ. अमित कुमार साहू, फेडरेशन ऑफ तेलंगाना स्मॉल इंडस्ट्रीज असोसिएशन के ए. भास्कर रेड्डी, जीडिमेटला इंडस्ट्रीज असोसिएशन के अध्यक्ष ए. प्रवीण रेड्डी सहित अन्य उपस्थित थे।

डॉ. श्रीलक्ष्मी सरोज ने ई-कचरा, पुनर्चक्रण प्रबंधन और विनियमन के लिए समकालीन नीतियों पर विचार रखे। उन्होंने कहा कि आई-फोवा भारत का पहला इलेक्ट्रिकल वाहन संघ है। इसका उद्देश्य भारत में इलेक्ट्रिक वाहनों के विकास तथा अनुसंधान को प्रभावी रूप से बढ़ावा देना है। उन्होंने कहा कि बैटरी पुनर्चक्रण और दूसरा उपयोग भारत में एक अग्रगण्य बाजार है। भारत में बैटरी रीसाइकलिंग बाजार का मूल्य 2023 में 1.97 बिलियन डॉलर का अनुमान है। इसका वर्ष 2030 तक लगभग 9.8 बिलियन डॉलर तक बढ़ने की उम्मीद है। उन्होंने ई-कचरे पर सरकारी नीति, निर्माताओं, उत्पादकों,

नवीनीकरणकर्ताओं, ई-कचरा पीपीपी सहित अन्य विषयों पर प्रकाश डाला। मैटलैक्स टेक्नोलॉजीज के सह-संस्थापक डॉ. वर्षीस सैमुअल ने कहा कि भारत में लिथियम-आयन बैटरी का पुनर्चक्रण एक बहुत बड़ा अवसर है। इसका आकार 1,000 मिलियन डॉलर की सोमा से भी कहीं अधिक हो सकता है। उन्होंने कहा कि लिथियम-आयन बैटरी को वैश्विक मॉग जीवधार्य ईंधन मुक्त अर्थव्यवस्था में महत्वपूर्ण स्तंभ है। उद्योग, आकार और विकास को देखते हुए भविष्य में लिथियम-आयन बैटरी रीसाइकलिंग को भारी मॉग होगा। उन्होंने कहा कि ईवी बैटरी का पुनः उपयोग और रीसाइकलिंग के लिए आवश्यक है। हालांकि ईवी विक्री

की बढ़ती मात्रा के रहान के आधार पर वैश्विक बाजार के 2030-35 तक आत्मनिर्भर बनने का अनुमान है। उन्होंने कहा कि 2030 तक पुनः उपयोग और पुनर्चक्रण के लिए बाजार का आकार 157 एमडब्ल्यूएच तक पहुँचने की संभावना है। वर्तमान में भारत में लिथियम-आधारित ईवी बैटरी के पुनः उपयोग और पुनर्चक्रण को नियंत्रित करने वाले कोई समान नियम नहीं हैं, जबकि चीन, यूरोप, यूएसए और जापान में स्पष्ट नियम हैं। इस दिशा में ध्यान दिए जाने की आवश्यकता है। श्रीकांत टीजी ने स्वागत वक्तव्य में कहा कि भारत के विनिर्माण क्षेत्र ने प्रभावशाली वृद्धि दिखाई है। उन्होंने कहा कि मशीन टूलस विनिर्माण क्षेत्र की रोड़ और जननी हैं। यह क्षेत्र नवाचार

और विकास के अवसरों से परिपूर्ण है। यहाँ आयोजित हिमटेक्स, आईपीईसी तथा ईको सस्टेन एक्सपो में मशीन टूलस, इंजीनियरिंग रोबोटिक्स और ऑटोमेशन के साथ अत्याधुनिक तकनीकी नवाचारों (श्रेष्ठ पृष्ठ 13 पर)

Testimonials

We are very happy to be here in HIMTEX 2024. Since last edition we are a regular participant in HIMTEX and we are seeing a very good traction here and HIMTEX has been a very good show for MSME.

Mr. Rajesh Apte

Chief Sales Officer, Bharat Fritz Werner

This has been our first experience at HIMTEX and we have very good expectations from Hyderabad Market. We have already confirmed our participation for the next edition of HIMTEX to be held in 2026.

Mr. Amit Gosai

National Sales Head, Global CNC Pvt. Ltd

We are participating in HIMTEX for the first time and we have got good response in terms of the enquiries generated.

Mr. Pradeep Patel

Managing Director, STERP Software Pvt Ltd

Testimonials

HIMTEX has actually helped us a lot in connecting us with the customers in the Aerospace Industry and Die & Mold Sector.

Mr. Abhinav Duggal, Director
Rohit Industries Group Pvt Ltd

We have always been selective about the exhibitions we participate in and HIMTEX was one of those which we had chosen to participate. The foot fall to the event was amazing in comparison to what we were thinking. The enquiries we were able to generate against the foot falls was near about 60% which is really a very good number.

Mr. Kumar Dibyesh, Marketing Manager
Motherson Techno Tools Ltd

We are really happy with the way the event was organized and we were able to meet a lot of new customers and because of that we are now thinking of opening up a new office in Hyderabad

Ms. Pratima Deshmukh, Business Strategy Head
